

## The Roads of Mercy

The mercy of God is the deepest ocean  
The mercy of God is everlasting flame  
The mercy of God is a tenderness beyond telling  
The mercy of God brings truth to my being.  
Help us o God to have in your service  
Hands that work to bless not harm,  
deeds that help not hinder,  
tender words that build and bind,  
hearts ablaze with love.
